GREAT CURE

DR LELAND'S ANTI-RHEUMATIC BAND IS THE ONLY KNOWN REMEDY FOR

Rheumatism, Gout and Neuralgia, AND A BURE CURE FOR All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Waist, without injury to the most delicate persons; no change in habit of living is required, and it entirely removes the discussor from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in every instance a perfect ours, and restoring the paris afflicted to a healthy condition. This Band is also a most powerful ANTI-Miracovarat agent, and will entirely relieve the system from the persocous effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing.

They are at home, and any one who has doubts can uire of the person who have been cured by it. DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

ATTEND TO YOUR COLDS -A case of five years' anding cured by DR. KEYSER'S PECTORAL SYRUP. Privischan, Jan. 11, 1960.

Privisural, Jan. 11, 1880.

Bu. Krysur:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to 40 so.

Alderman Fifth Ward.

PITTEMERGH, Nov. 18, 1858.

Dr. Keyers:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of say person who may in any manner be afflicted with courhs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whiper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the hest remedy Lever found, purporting to dure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,
EDWARD J. JONES,
Cashler Citizens' Deposit Bank.

J. W. PRIOR.

COL. PRATT AND DR KEYSER'S PROTORAL STRUF.—Dr. Kerner—Dear Sir. Excuse the delay of my seknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. It knocked the notes out of my cough and the worst one I was ever afflicted with: I have do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you thick proper. E. F. PRATT,

READ THE TRUTH.—DR. KEYSER: I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used thaif a bottle she was relieved. The second bottle cured her entirely of her cough.

PITTABURGH, December, 31, 1853.

A GREAT CURE BY DR, KEYSER'S PECTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commensed about the 4th of February last, and continued eight months. I the 4th of February ampletions in the country, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH SYRUP, which I dd, and after I had taken one bottle I was actionly free from the countries and splitting. I had despaired of ever getting well, and I think It should be known that this valuable remedy will do for others what I has done in my case.

JOHN C. LITTLE, It has done in my case.

Peebles townhip.

PATTON Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Byrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN GINNIS.

DR. KEYSER'S PECTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully,

J. S. WATTERSON & FONS.

January 30, 1800.

ANOTHER NEW CERTIFICATE—DE, KEYSER'S PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so had was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Signed,

J. W. SIMONTON,
236 Liberty street, Pittsburgh, Pa., Jan. 9, 1860.

"FTOP THAT COUGHING."—'How can I do it? "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be lesperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of desperate indeed." This is a speciment of the collectury one hears almost every day in cold eatching periods of the year. And we can, from sciual experiment, theerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." In a most stubborn case, with endre success. Rear two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, multish, namebulushe coughs we ever experienced since our advent upon this mandame sphere. We coughed steadily and laboriously for one whole week, in hopes of firing it out, but it was no get. In fact it seemed rather to have improved by practice, and to have sinquired strength, potency and distressibility by the operation. In this stage of the siege, we coughed our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral." took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Droughest the Cupper, Dec. 14, 1259.

And testimonials, new, and almost without number might be given from ladies and gentlemen in all grade, of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the baid and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

Battle Creek, Mich.; Dec. 21st, 1858.

The subscribers take pleasure in amouncing o the Battle Creek, Mich.; Dec. 21st, 1858.

Pror. Woon: Thee wiit please accept a line to inform thee that the hair on my head all feil off over twenty years ago, caused by a complicated chronic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence. I have not been able to obtain stuff for caps, usither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of August hat. I have faithfully followed the directions, and the baid spot is now covered with hair thick and black, though shert, it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to perseverve in its use, and being destitute of means to purchase any more, I would ask thee if thee wouldst not be willing to send me an order on thine spents for a bottle, and receive to thyself, the soripture declaration—"the reward is to those that are kind to the widow and the fatherless."

Prov. O. J. Wood: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to ize, commenced falling off very repidly, so that is the short space of six months, the whole upper part of my scalp was almost entirely bereft of list covering, and much of the remaining portion upon the side and baca part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair would again be restored, was forced to become reconciled to my fate, until, for mately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great salisfaction that it was producing the desired effect. Since that time, I have used seven dollars worth of your Restorative, and as a result, have a rich coat of my gratitude for your labor and skill in

buy.

As a mark of my gratitude for your labor and skill in
the production of so wonderful an article, I have recommended its use to many of my friends and sequentances,
who, I am happy to inform you, are using it with like
effect. Very respectfully, yours,
